Office Opening

3.1 Office Action Opening

3.2 Response to November 01 2010 Office Action

2 – 1 Complete listing of the claims

"4a A complete listing of all the of the claims is not present."

"4e Other Claims 1-39 is missing."

"For further explanation of the amendment format required by 37 CFR

1.121, see MPEP Section 714 and the USPTO website at

[http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/officeflyer.](http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/officeflyer.pdf)

pdf "

Note that the amendments submitted previously contained the statement

that Claims 1-39 are canceled just not on the same page as the start of the rest of the claims listing.

This is now added, so that the start of the claims listing states:

Claims 1-39 (canceled)

was added in compliance with

<http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/officeflyer.pdf>

3.3 Response to September 22/23 2010 Office Action

3 – 1 Complete listing of the claims

Office action of Sep 22/23 2010:

"4A A complete listing of all the claims is not present."

Amendments to the claims begin in chapter of that title of this paper.

See (around) page 41 to 50. The same pages of the September 7, 2010

Amendment had the claims as submitted.

Claims 1 to 39 are now cancelled. Claims 40 to 57 are entered.

3.3. *RESPONSE TO SEPTEMBER 22/23 2010 OFFICE ACTION* 23

There was a complete listing of claims in the amendment submitted and they were in ascending order. Possibly, they were not scanned in somehow?

3 – 2 Claims in ascending Order

Office Action: "4D The claims of this amendment have not been presented in ascending order."

The claims are in ascending order. Perhaps they were not scanned in properly on Sep 7, 2010?

3 – 3 Cover sheet and signature

Office Action: "Continuation of 4 Other: There is no cover sheet for the Amendment and Remarks are missing without signature."

A cover sheet was added. This is the transmittal sheet I assume is meant. The amendment itself has a cover sheet of its own stating the usual information.

Remarks now have a signature.
